Biography

Dinh Tri VO is an Associate Professor at IPAG Business School, Paris. He received his MSc. in Management from the CNAM and his Ph.D. degree in Management Science (Finance & Insurance) from Paris Saclay University, France. He teaches finance and banking courses such as Financial Analysis, Financial Markets, and Global Banking and Financial Regulation, in both the "Grande Ecole" and dual degree programs (IPAG-Greenwich MSc. International Banking and Finance). His main research interests are insurance markets, impact investing, and sustainable finance. Besides teaching and research, he has consulting activities and publishes commentaries in some magazines and newspapers.
