## Biography

Mélanie F. Boninsegni is an Assistant Professor at IPAG Business School Paris, France, where she is in charge of developing research and teaching activities for marketing. Prior to joining IPAG, Mélanie was a Research and Teaching Assistant for the Chair of Marketing at the University of Fribourg, Switzerland. She holds a Ph.D. in marketing from the University of Fribourg, Switzerland and a Master's degree in management from the University of Geneva, Switzerland. Within her curriculum program, she studied as a visiting scholar in Pennsylvania State University, USA; Ewha Womans University, Korea; and Sophia University, Japan.

Her research focuses on service marketing, relationship management, organizational frontline, artificial intelligence, and empirical methods. She regularly presents her communications at internationally renowned conferences, and she has been a reviewer for EMAC for several years. Her research papers have been published in peer-reviewed journals: Digital Policy, Regulation and Governance, and Journal of Service Management. In parallel to her academic career, Mélanie also gained expertise and professional experience working as a market researcher for consulting firms.
